

IEEE Benelux Joint Chapter on Communications and Vehicular Technology
CALL FOR PAPERS
FOR THE 13TH SYMPOSIUM
ON COMMUNICATIONS AND VEHICULAR TECHNOLOGY IN THE BENELUX
SCVT 2006
Thursday, November 23, 2006
University of Liège, Belgium

It is our pleasure to invite you to the 13th Symposium on Communications and Vehicular Technology SCVT 2006 in the Benelux. Established in 1993, the Symposium on Communications and Vehicular Technology in the Benelux is an annual event organized by the IEEE Benelux Joint Chapter on Communications and Vehicular Technology. The Symposium is aimed at presenting and discussing the latest scientific and technical advances in communication systems and vehicular communication technology. This event consists of invited talks, and oral and poster presentations of contributed papers.

You are invited to submit papers according to the deadline given below. Topics of interest include, but are not limited to :

Physical Layer Topics :

Wideband channel modelling
Multiple antenna and MIMO systems
Advanced receiver design
Multi-user detection
Broadband access techniques
Communication theory
Coding and modulation
Cognitive radio
Ultra Wide Band radio
Optical fiber communications

Networking Topics :

Wireless multimedia networks
Mobile networking
Quality of Service for mobile applications
Ad-hoc networking and self-organizing networks
Personal and body area networks
Satellite communications
Simulation methods for communication systems
Advanced Radio Resource Management

Important dates

- September 1, 2006 : Submission deadline for the extended abstract
- October 6, 2006 : Notification of acceptance
- November 3, 2006 : Submission of the camera-ready manuscript
- November 23, 2006 : Symposium

Extended abstract submission

The organizing committee invites contributions in the form of extended abstracts of approximately 1000 words. Examples of results and illustrations should be included. The cover page should include title, name(s) of author(s) with contact person identified, address, telephone and fax number, e-mail address and organization affiliation. Abstracts should be electronically uploaded (URL : scvt.run.montefiore.ulg.ac.be) before September 1, 2006. The papers will appear in IEEE XPlore (IEEE's Digital Library).

Paper submission

For details on paper format and upload via the website, see : scvt.run.montefiore.ulg.ac.be

Awards

Best papers awards will be given to the best graduate student paper and to the best Ph.D. student paper. To qualify for the award, the student has to be the first author of the paper and present the paper himself/herself. Besides, the wish to be considered for the award has to be stated when the extended abstract is submitted.
